VERY LATEST NEWS.

Valpariazo lettera atate belligerent rights of the Cuban insurgents have been recognized by the Chilan Government. In the discussion upon the subject in the Senate, reference was made to Seward's speech in his vane in laudation of the Spanish Government, and the bellef was expressed that the United States would not to operate in the recognition. A letter from Lima, Peru, states President Baile has issued his decree formally recognizing the Cubana as belligerents and coding them the usual privinges. The Peruvan and Chilian Musisters in Washington have been lustracted.

Our County Offices. IHITE DUCK SUITS. On Friday, the 25th of this month, the Republican Primary Meetings will be held in this county The average Republican majority in this county is over fifteen hundred, and a Republican an election. The strife is very animated in Republican ranks, for the honors of nomination, and emoluments of office this fall, and coud-

ites are is "plenty as blackberries." For the office of sheriff there are seven caudi dates still in the field, two having already withdrawn, and the number of confessants will pro-bubly be still further reduced before the day of anama and Straw election Of the present candidates, three are from the East, Saunders, Rockwell and Reed three are from Meadwille. Ellaworth, the prescut Deputy Sheriff, and who has held that position for the past six years. Morris, late Register and Recorder, and Dickson, and one, D. S. Moster americant of Mostertown, In the West part of the county Mr M has never held an office. The Sheriff's office is one of the best in the county, and is worth from three to five thousand doilar s year, reut being free the term and three For the office of Posthonoury there are only

For the office of Prothomotory there are one of two candidates—Mr. Brooks, of Me willie, and ex printer, and for six years the D puty Prothomotory, and well conversant with the duties of the other, and Mr. Drate, from Crimbridge, north pair of the courty, who has been engaged in furnish and longering and is now in the mer-cauthe time ress. He has nev r held an effice, we n tona The office is worth from \$1,500 to \$2. thonorary, or Clerk of Common Pieus, keeps the judgments—2 so records the Sheriff's and free surre's Deeds, and is the castoding of all elec-tion returns of State and County offic— The first election for Postmonoring in this State took place in October, 1853 since which perform i is a singular face that all persons who have held that effice are stuttiving. Of those wh performed the duries of the office, green to the Davis allout Windville suffer was Will two officet Prothonotary was it the time of his if give t pecunitry risk and responsibility, and of

arrons carred labor and detail. Next in rank can with office of R glat racid R corder, paying a start in fees, like the offices diversion was the office of Prathonotory - The candidates new in h fill are two present D pute R corder Mr Dickson in exist of or o the 150 h Pr. Vols , resident in Meadelile, Mr. Brown, of Summer a farmer, and Mr. Smith, of Athens, also a farmer and ex soldier. This officer seems the records of deeds mortgages and wills.
All fees taken by this fun tionary exacting \$1 (0) per annum filty per cent of the sun go to the Sec. So with the off of the n

the Courts, as a condition for the other fit. without opposition. He is an extramy Ir is are and cone arts d soldier. This efficiency but \$1,000 or \$1,200 a year. There we court true April Jane and September for the discounting I the criminal husiness of the county We have running for the office of the my

From Our Own C respondent.

5x, James' Motel, Boston, June 9, 1869 Ever since my arrival I have been on the lookout for a lodging place during the great Peace Jubilee, which commences Monday next.

Those who intend visiting the Hub, during the session of Glimore's congress, will do well to bring not only their own habitations but enough ground to erect them on, for every foot of ground has been hased for standing room Oue enterprising genius has remed the Frog Pond on the common, which he proposes to fite sponge-like character of the same renders this one of the most desirable sleeping places in the city, and the owner concludes that he can sleep over fitteen hundred individuals comfort realized a handsome some from the turtles and terapine due took its depths, which, after dis-posing of res fleeb, he manufactures in to sunfi boxes somets, &c. ably in its soft confines, while he has already

another individual has erected several miles of connected railway, to which are fastened stout hooks, similar to those in our markets. Upon these he proposes to let a few delegates "hang out" over night for a pecuniary compensation With such a crowd as will assumble here upon this occasion, the accommodutous for furnish ing them subsistence are meagre, but the City Fatuers propose to do the fur thing, and one hundred steam fire engines will be sta loved throughout the multitude-each one of which will keep a continual stream of sods water or root beer playing upon the crowd, while a re caves of bread into the city every minute, and t is thought no cases of death from starvition wil occur, owing to these perfect arrangements

apon while he solicited passengers-but the secand thing was the prevalence of strange sounds manifing the menning of the I was in ormed. by a young man with a deep buse weite, it was the grand clour cass up.
